Comprehensive Enhancement (ENH) – Multidisciplinary
LSU Internal Notice of Intent (NOI) Form

Due Date: September 4, 2024
Email to osp@lsu.edu

To prepare for and organize the Board of Regents Departmental ENH proposal submissions, OSP is requiring this form be completed by interested faculty in eligible disciplines. This is not a Board of Regents requirement.
Please note that each Academic Unit is allowed to submit one Comprehensive ENH Multidisciplinary proposal. If an academic unit is involved in more than one Multidisciplinary NOI, OSP will confirm with the respective department chair/unit director which Multidisciplinary proposal the unit will participate in.

Principal Investigator (PI) Name:	
PI Email:	
Preliminary Project Title:	
Academic Unit submitting proposal:	
Board of Regents Eligible Discipline:	

I confirm that this proposal will be submitted as a Multidisciplinary proposal.	Confirmed ☐
